

COURT ETIQUETTE AGREEMENT

The goal of the SYV Bocce League (“The League”) is for all participants to have fun while enjoying fair competitiveness and friendship.

I agree to abide by the League rules and participate in all League events with positive behavior and good sportsmanship. I understand that the team Captains have the authority to remove players from competition, from either team, in order to ensure peaceable play. I understand that my refusal to abide by a Captain’s removal request may result in my team forfeiting the match, as well as my possible dismissal from the League.

The hosts of the property have the final authority as to who may remain and who must remove themselves from the property. The League Board may dismiss any player from the SYV Bocce League that does not adhere to the rules and regulations and expectations of sportsmanship that are promoted by our league.

Captains and other league members should report behavior incidents directly to the Sportsmanship Committee chair, Jeff Millard, via email at jeff@jeffmillard.com or via telephone at (805) 377-4727 within 24 hours of the occurrence.

I understand and agree:
